Summary:

On November 20, 2011, at approximately 5:40 P.M., Officers of the Porterville Police Department responded to a confidential address in the city of Porterville regarding a possible rape that had occurred earlier in the day. When officers arrived they contacted an adult female who reported she had been raped earlier this morning by a subject with whom she had been drinking with the previous night.

Detectives were called out to continue the investigation and identified the suspect as 25 year old Arnulfo Carrillo. The investigation revealed that Carrillo had visited the victim at her residence yesterday with several other subjects. However, during the course of the evening, the victim drank heavily and ultimately passed out in her bedroom. At some point Carrillo entered the victim's bedroom and engaged in sexual intercourse with her, even though she was too intoxicated to give consent.

Carrillo was arrested at his residence without incident and later booked into the Tulare County Jail on charges of rape of an intoxicated person. Carrillo is being held in lieu of \$100,000.00 bail and this case remains under investigation.
